Dear Ms. Long:

Re: Canadian Niagara Power Inc. ("CNPI") – 2022 Cost of Service Application Filing Date (EB-2021-0011)

As set out in the OEB's December 16, 2020 notice to electricity distributors, CNPI is scheduled to file a rebasing application for the 2022 rate year. For rates effective January 1, 2022, the OEB's expected filing date is April 30, 2021.

CNPI confirms that it intends to file a cost of service application, requesting rates effective January 1, 2022, however it is unable to meet the April 30, 2021 filing date and anticipates filing the application by May 31, 2021.

Please direct any questions or correspondence in this matter to the undersigned.

Sincerely,
