Dear Mr. Fernandes:

**Re: Application for 2022 Electricity Rates  
OEB File No. EB-2021-0027**

This letter is in response to your request dated April 9, 2021, for an extension to the date for the filing of Grimsby Power's Cost of Service application. Grimsby Power requested an extension from April 30, 2021 to July 31, 2021 due to the current COVID-19 pandemic. The OEB grants Grimsby Power's request.

The OEB anticipates that the OEB panel hearing the application will take into consideration any COVID-19 related delays in setting the effective date for Grimsby Power's 2022 rates.

Yours truly,
