April 28th, 2021

Dear Ms. Long:

**Re: EB-2020-0290 Application by Ontario Power Generation Inc.
For 2022-2026 Payment Amounts (the “Application”)
Additional Interrogatory Responses**

Interrogatory Responses

Further to OPG’s submissions on April 19th and April 26th, OPG is filing 6 additional interrogatory responses. OPG has submitted these document through the Regulatory Electronic Submissions System. These materials will also be made available on OPG’s website at www.opg.com.

OPG has come across reporting issues in OPG’s 2K in the course of answering the remaining interrogatories. Specifically, the issues relate to the breakdown of representation data into lower level details for historical years. OPG is currently working to resolve these issues and intends to file the following, and only 5 remaining interrogatories, as soon as possible:

- L-F4-03-Staff-275
- L-F4-03-Society-018
- L-F4-03-SEC-146
- L-F4-03-AMPCO-171
- L-F4-03-AMPCO-169

Confidentiality

Certain documents within the application contain confidential information. Under separate cover, and in accordance with the Ontario Energy Board’s *Rules of Practice and Procedure and Practice Direction on Confidential Filings*, OPG requests confidential treatment of this information.

Certain documents are marked as confidential but the redacted public versions filed with the interrogatory responses are not confidential.

If you have any questions regarding this submission, please contact me at 416-592-2181.

Respectfully submitted,

Evelyn Wong
