Dear Ms. Long:

Re: **OAPPA – Participation in the Technical Conference**
Ontario Power Generation Inc. (OPG)
2022-2026 Payment Amounts
OEB File Number: EB-2020-0290

As per Procedural Order No. 1 dated February 17, 2021, OEB staff and intervenors are to file with the OEB and provide to OPG a description of the specific areas that they will focus on at the technical conference, along with estimated time requirements.

On behalf of OAPPA, Jupiter Energy Advisors are confident that the areas of interest to be covered by several of the other Intervenors will capture the areas of interest of OAPPA, and due to that, we will not be requesting any additional scheduled time for questioning. However, OAPPA reserves the right to ask clarification and/or follow up questions that might arise during the Technical Conference, if necessary.

Yours truly,
