BY EMAIL AND RESS

Ms. Christine Long
Registrar
Ontario Energy Board
27th Floor - 2300 Yonge Street

Dear Ms. Long:

**Re: EB-2020-0290 - Ontario Power Generation Inc. ("OPG") Application for Payment
Amounts (the "Application")
Inadvertent Disclosure of Claimed Confidential Information – Ex. L-F4-03-Staff-304**

Further to Ms. Wong's email, OPG discovered that it inadvertently disclosed certain confidential information in an interrogatory response, Ex. L-F4-03-Staff-304, posted on RESS. This information is the subject of a claim for confidential protection for which OPG will be seeking a ruling.

In order to preserve confidentiality pending the OEB's ruling and to avoid any potential prejudice, OPG respectfully requests the permanent removal of Ex. L-F4-03-Staff-304 from RESS. OPG also requests that all intervenors refrain from reviewing it and immediately delete it from their records permanently.

OPG has circulated, and will file, a non-confidential version of Ex. L-F4-03-Staff-304 on RESS immediately.

Yours truly,

Aimee Collier
Assistant General Counsel
