Dear Ms. Wong:

Re: **Ontario Power Generation Inc.**
Application for 2022-2026 Payment Amounts
Extension of Technical Conference
Ontario Energy Board File Number: EB-2020-0290

In Procedural Order No. 1, issued February 17, 2021, the Ontario Energy Board (OEB) established dates for a transcribed technical conference to provide clarification on certain interrogatory responses filed by Ontario Power Generation Inc. (OPG). The dates established in Procedural Order No. 1 were May 3, 6 and 7, 2021.

Although parties have made best efforts to ensure the technical conference is efficient and effective, additional time is required. The OEB panel has therefore determined that it will be beneficial to extend the duration of the technical conference.

The technical conference will be extended for one additional day, being held on May 10, 2021, starting at 9:30 a.m. As this event will be conducted virtually, OEB staff will provide parties with connection details.

The OEB's objective is to facilitate an efficient and effective proceeding in hearing OPG's application. The OEB panel remains firmly committed to these procedural objectives. As such, all dates for subsequent procedural steps established in Procedural Order No. 1, and Procedural Order No. 2 and Decision on Motion, remain unchanged.

Any questions relating to this letter should be directed to Lawrie Gluck at Lawrie.Gluck@oeb.ca, copying OEB Counsel, Michael Millar at Michael.Millar@oeb.ca and Ian Richler at Ian.Richler@oeb.ca.

Yours truly,
