**Re: Newmarket-Tay Power Distribution Ltd. (“NT Power”)  
2021 Incentive Regulation Mechanism (“IRM”) Application (EB-2020-0041)  
Reply Submission**

---

In accordance with the Ontario Energy Board’s Decision and Order issued on April 22, 2021 (EB-2020-0041) a Draft Rate Order (“DRO”) was submitted on April 28, 2021.

The OEB Staff Submission on the DRO provided a revised Rate Generator Model for the Newmarket Tay Rate Zone (“NTRZ”) on May 5, 2021. School Energy Coalition confirmed agreement with the revised Rate Generator Model for NTRZ and confirmed no further comments on May 6, 2021.

NT Power has reviewed the OEB Staff Submission and the Rate Generator Model for NTRZ and confirms the revisions are correct. NT Power is in agreement with OEB Staff and submits no comments on the DRO.

Respectfully Submitted,

*Original Signed By*
