Attn: Christine Long, Registrar & Board Secretary

Dear Ms. Long:

Re: School Energy Coalition – Change of Contact Information

We are sad to advise of the death from complications of Covid-19 of the long-time Co-ordinator of our School Energy Coalition project, Wayne McNally. Wayne played an important role in working with school boards and external counsel to ensure that the interests of school boards were protected in energy matters. He will be sorely missed.

As part of his supervision of the work of SEC, Mr. McNally was copied on all communications from the Board and parties on matters in which SEC is involved, whether as an intervenor or participating in working groups and other consultations. We have attached a list of the current matters in which SEC is involved.

Until a new SEC Co-ordinator is selected, I will take over receiving and reviewing the materials from those active matters. For the convenience of the Board and parties, we have established a new email address, SEC@oesc-cseo.org. That will allow continuity when I pass the responsibility back to a senior person assigned to the project.

We request that the Board and parties amend their records to replace the email for Wayne McNally with the new email for the SEC Co-ordinator. SEC's Annual Filing to the Board will be updated in due course.

Your co-operation is greatly appreciated.

Yours very truly,
Ontario Education Services Corporation

Ted Doherty
Executive Director
