**INTERIM DECISION AND ORDER**

Unified Energy Services, LLC filed an application on April 28, 2021, with the Ontario Energy Board (OEB) pursuant to section 50 of the *Ontario Energy Board Act, 1998* (OEB Act), for a renewal of its gas marketer licence.

Unified Energy Services, LLC's gas marketer licence GM-2016-0156 expires on June 8, 2021. To participate in the gas market, the applicant requires a gas marketer licence pursuant to section 48 of the OEB Act.

Considering the time required to process an application in accordance with the OEB's established practice and procedures, and considering the applicant's need for a licence to carry out activities as a gas marketer, the OEB finds it expedient to extend the term of the existing licence, pending the final disposition of the matter. This Decision and Order does not constitute a final decision on the application.

**IT IS ORDERED THAT:**

The term of Unified Energy Services, LLC licence GM-2016-0156 is extended on an interim basis until November 1, 2021, or until the final determination of its gas marketer licence application, whichever is earlier. The conditions of licence remain unchanged.
