

Ontario Energy Board

2300 Yonge Street, 27th Floor, P.O. Box 2319,

Toronto, Ontario, M4P 1E4

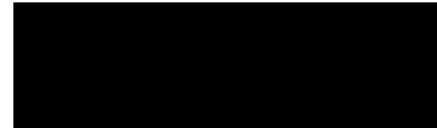

To Whom it May Concern,

This letter is to convey my opposition to the elimination of the Ontario Seasonal Rate Class for electricity.

Hydro One estimates that the proposed elimination will increase monthly Hydro One bills by \$54.00 which will affect approximately 80,000 customers. The Federation of Ontario Cottage Associations estimates that this will double the monthly Hydro One bill for many customers.

As a seasonal property owner I am asking you to stop the impending rise in our hydro bill. The provincial government promised to keep our energy costs in check. It is time to keep that promise.

Sincerely,

Robert D. Johnston
