Dear Ms. Long:

Re: Canadian Niagara Power Inc. ("CNPI") – 2022 Cost of Service Application Filing Date (EB-2021-0011)

As set out in the OEB's December 16, 2020 notice to electricity distributors, CNPI was scheduled to file a rebasing application for the 2022 rate year. For rates effective January 1, 2022, the OEB's expected filing date was April 30, 2021. On April 27, 2021, CNP informed the OEB that it was unable to meet the April 30, 2021 filing date and anticipated filing the application by May 31, 2021.

CNPI confirms that it will file a cost of service application, requesting rates effective January 1, 2022, but anticipates filing the application on or before June 30, 2021.

Please direct any questions or correspondence in this matter to the undersigned.

Sincerely,
