Ms. Christine E. Long
Registrar
Ontario Energy Board
2300 Yonge Street, 27th Floor
Toronto, ON M4P 1E4

Dear Ms. Long:

**Re: Enbridge Gas Inc. ("Enbridge Gas")
Ontario Energy Board ("OEB") File No.: EB-2020-0181
2021 Rates Application (Phase 2 – Incremental Capital Module Funding
Request) – Reply to OEB Staff's Comments on Draft Rate Order**

On May 18, 2021, Enbridge Gas filed its Draft Rate Order reflecting the findings of the OEB in its Decision and Order on May 6, 2021 in Phase 2 (ICM) of the 2021 rates application. As per the Decision, the ICM unit rates in the Draft Rate Order are based on an effective date of July 1, 2021 to be implemented in conjunction with the July 1, 2021 QRAM application.

The OEB invited comments from OEB staff and intervenors on the Draft Rate Order. Comments were subsequently received from OEB Staff. No comments were received from intervenors.

OEB staff has reviewed the draft rate order along with the supporting schedules and is satisfied that the rate schedules appropriately reflect the OEB's Decision in this proceeding and the ICM unit rates have been appropriately calculated.

Enbridge Gas agrees with OEB staff's comments on the Draft Rate Order.

Please contact the undersigned if you have any questions.

Yours truly,

Rakesh Torul
