Dear Ms. Long

Re: Enbridge Gas Inc. ("EGI")
July 1, 2021 QRAM Application
Board File #: EB-2021-0153

We are writing on behalf of Canadian Manufacturers & Exporters ("CME"). Please consider this correspondence as CME's written comments on EGI's QRAM Application, which seeks changes to its rates for the sale, distribution, storage and transmission of natural gas effective July 1, 2021.

As the Board is aware, it is CME's practice to conduct a due diligence review of EGI's QRAM Applications. Based upon our review, CME takes no issue with EGI's QRAM Application.

CME requests an award of its reasonably incurred costs in connection with conducting its examination of EGI's QRAM Application.

Yours very truly
