**Re: Independent Electricity System Operator
2020 and 2021 Expenditure and Revenue Requirement Submissions
HQ Energy Marketing Inc. Letter of Intervention
Board File No: EB-2020-0230**

Dear Ms. Long:

HQ Energy Marketing Inc. ("HQEM") hereby requests intervenor status in the above captioned matter. HQEM is the Canadian power marketing subsidiary of Hydro-Québec outside the province of Québec. Hydro-Québec is one of North America's largest electric utilities – it is involved in transmission, distribution and generation of electricity from renewable energy sources, and in particular hydroelectricity. HQEM is a participant in the Ontario energy market, and sells into, buys from, and wheels energy through Ontario to other neighbouring control areas.

HQEM participated in the Ontario Energy Board ("OEB" or the "Board") proceedings addressing the IESO's 2019 Expenditure and Revenue Requirement Application (EB-2019-0002).

HQEM is not requesting cost eligibility.
