Dear Sirs:

Re: FIT Generator Licence Cancellation

We are providing this letter in connection with a FIT Generator Licence application made by 2825411 Ontario Inc. (the "Applicant") in connection with a project for which Quixote One Wind Energy Corp. currently holds a generator licence (the "Current Licence"). The application for the new licence was made in connection with a proposed transfer of the project to the Applicant. In connection with the foregoing application we would request cancellation of the Current Licence concurrent with the issuance of the generator licence to the Applicant.

Should you have any questions please do not hesitate to contact the undersigned.
