As per the Ontario Energy Board (OEB) letter dated June 23, 2021, Peak Power Inc. (Peak) submits this letter of interest to participate in the OEB Innovation Sandbox Renewal Consultation.

Peak would like to participate in the consultation, with a desired preference for the one-on-one/small group meetings intended to be held in the months of July and August. Peak does not intend to request cost eligibility.

On behalf of Peak, Imran Noorani will be interested in participating. We thank you for the consideration and applaud the OEB for initiating this consultation.

Sincerely,
