Dear Ms. Long,

**RE: EB-2021-0149 Enbridge Gas Inc. 2020 Utility Earnings Sharing and Disposition of Deferral and Variance Account Balances
Energy Probe Intervenor and Cost Eligibility Request Letter**

Energy Probe Research Foundation (Energy Probe) hereby applies for intervenor status and cost eligibility in EB-2021-0149, the application by Enbridge Gas to the Ontario Energy Board for the approval of 2020 Utility Earnings and the disposition of deferral and variance account balances.

Statement of Interest

Energy Probe is a non-profit environmental and consumer organization which promotes economic efficiency in the use of resources. It will be representing its many individual residential customer supporters. Energy Probe argues for equitable rates that optimize results for all ratepayers by eliminating cross subsidies between ratepayer classes and between generations of ratepayers. It promotes sustainable resource use through individual responsibility and accountability. More information about Energy Probe can be found on the OEB website. <https://www.oeb.ca/industry/applications-oeb/intervenor-information/annual-filings-frequent-intervenors>

The interest of Energy Probe in this proceeding is the impact on ratepayers, including its supporters, of the Balances in the 2020 Deferral and Variance accounts and their proposed disposition. Energy Probe will focus on ensuring the balances are correct and the proposed rate

riders are appropriately calculated. In addition, Energy Probe will review the utility's performance, relative to the Scorecard.

Form of Hearing

Energy Probe believes that interrogatories and responses followed by a Settlement Conference and final written submissions, would be an appropriate manner in which to proceed,

Costs

Energy Probe is a non-profit organization which relies on individual donations to help protect the public interest. Without the prospect of an award of costs, Energy Probe's ability to participate in proceedings would be very limited. Energy Probe intends to seek a cost award in this proceeding, and expects to intervene responsibly, cognizant of the Board's guidelines regarding cost awards.

Communications

Communications relating to this Intervenor and Cost Eligibility Request Letter and all documents filed with the Board by the applicant and required by Energy Probe, should be directed to its consultants:
