Dear Mr. Hesselink:

**Re: EPCOR Natural Gas Limited Partnership (ENGLP)- Southern Bruce
July 1, 2021 Quarterly Rate Adjustment Mechanism (QRAM)
Ontario Energy Board File Number EB-2021-0178**

In its Decision and Order issued on June 24, 2021, the OEB approved ENGLP Southern Bruce's application to change its rates as of July 1, 2021. The OEB approved the rate schedule set out in Appendix A to the Decision and Order.

It has come to the OEB's attention that the Federal Carbon Charge was not updated in the rate schedules in Appendix A.

Pursuant to its powers under Rule 41.02 of the OEB's *Rules of Practice and Procedure*, the OEB may at any time, without notice or a hearing of any kind, correct a typographical error, error of calculation or similar error made in its orders or decisions. The OEB considers this error to be typographical.

The revised Decision and Order is attached. This revised Decision and Order supersedes and replaces the previously issued Decision and Order. The Decision is not otherwise changed in any way.

Yours truly,
