Dear Ms. Long,

Re: OEB Innovation Sandbox Renewal Consultation – EB-2021-0180

On June 23, 2021, the Ontario Energy Board (“OEB”) issued a letter initiating a consultation to renew its Innovation Sandbox. In its letter, the OEB invited stakeholders interested in participating in the consultation to indicate their intent and their interest in this matter by filing a letter with the OEB.

By way of this letter Alectra would like to indicate its interest in, and intention to, participate in the consultation.

Consistent with the outline for the consultation outlined in the Appendix A of the OEB’s letter, Alectra looks forward to a one-on-one or a small group meeting with the OEB through July and August to discuss opportunities for Sandbox renewal and the follow up stakeholder event, which is expected to take place in the Fall.

Should you have any questions, please do not hesitate to contact the undersigned.

Yours truly,

Indy J. Butany-DeSouza, MBA
Vice President, Regulatory Affairs
