Re: OEB Innovation Sandbox Renewal Consultation Initiation - EB-2021-0180

Dear Christine,

On behalf of the Canadian Renewable Energy Association (CanREA) I would like to take this opportunity to express our association's support for this consultation on renewal of the OEB Innovation Sandbox, and to register as active participants in this consultation process.

CanREA will not be seeking cost awards.

We would be open to taking part either in a small group or one-on-one meeting in August, depending on whichever is more convenient for other stakeholders and OEB staff.

Thank you and best regards,

Nicholas Gall
