Re: BP Canada Energy Group ULC – Renewal of Electricity Wholesaler Licence

Dear Board Secretary:

BP Canada Energy Group ULC ("BPCEGU") has submitted its request for a renewal of an electricity wholesaler licence. Please find enclosed with this submission BPCEGU's unaudited financial statements for the years ended 2019, 2020 and Q1 2021.

This BPCEGU submission is proprietary to BPCEGU and contains highly sensitive and confidential business and personal information of BPCEGU, that if disclosed could reveal trade secrets or confidential commercial or financial information of BPCEGU and could significantly harm the competitive and negotiating position of BPCEGU or result in undue financial loss to BPCEGU.

BPCEGU acknowledges that the BPCEGU financial statements will be treated confidentially by the OEB in accordance with the directions on the application form. BPCEGU also requests that the financial statements be exempted from disclosure under the Freedom of Information and Protection of Privacy Act ("FOIP"). BP respectfully requests that the OEB notify the undersigned promptly after receiving any FOIP request, court order or summons seeking access to the BPCEGU financial statements or in the event the OEB intends to disclose the BPCEGU financial statements in whole or in part to any other governmental agency or unit or otherwise to any third party.

BPCEGU is in good standing with the Ontario Independent Electric System Operator (IESO) having met prudential payments. Should you have any questions or need further information regarding this request or BPCEGU's application, please contact the undersigned at Kim.Johnston@bp.com or 403-390-1595.

Respectfully submitted,

Application for an Electricity Wholesaler Licence

Application Instructions

1. Purpose of this Form

Use this form to apply, under section 60 of the *Ontario Energy Board Act, 1998* (OEB Act), for an “electricity wholesaler” licence. An electricity wholesaler licence issued by the Ontario Energy Board (OEB) enables the licensee to purchase electricity or ancillary services in the Independent Electricity System Operator (IESO) administered markets or directly from a generator; and to sell electricity or ancillary services through the IESO-administered markets or directly to another person, other than a consumer.

2. Completion Instructions

This form is in writeable PDF and can be completed electronically. If necessary, **responses may be continued on additional pages**. The applicant is encouraged to complete the form electronically, save the completed form and file it, along with any attachments, by e-mail to: boardsec@oeb.ca.

THE APPLICANT MUST ALSO SEND TWO PAPER COPIES OF THE COMPLETED AND SIGNED APPLICATION FORM, ALONG WITH TWO PAPER COPIES OF ANY ATTACHMENTS AND THE APPROPRIATE APPLICATION FEE TO:

Board Secretary
Ontario Energy Board
P.O. Box 2319
27th Floor
2300 Yonge Street
Toronto ON M4P 1E4

The OEB may require information that is additional to the information filed in this application form. Also, filing of a completed application form does not preclude the applicant from filing additional information.

Any questions regarding the completion of this application should be directed to the OEB at IndustryRelations@oeb.ca.

3. Application and Registration Fees

A non-refundable application fee is required to process this application. Please enclose a cheque or money order made payable to the **ONTARIO ENERGY BOARD**. If a licence is issued, the licensee will be required to pay an annual registration fee. The amounts of the application fee and the annual registration fee are indicated on the “Apply for a Licence” page of the “Industry” section of the OEB’s website at www.oeb.ca.

4. Confidentiality

Information filed as part of or in support of sections 9 to 13 of this application will be treated as confidential. All other information filed as part of or in support of this application will be placed on the public record. Where the applicant objects to public disclosure of information filed as part of or in support of sections other than sections 9 to 13, the applicant must follow the procedure set out in the OEB’s Practice Direction on Confidential Filings.

5. Important Information

Applicants should consider the timelines required to process applications to avoid submitting applications too early or too late. Submitting applications too early without reasonable certainty of the proposed licensed activities will impede regulatory efficiency while submitting applications too late will leave the applicant to bear the risk of delayed commencement of licensed activities. Processing timelines are indicated on the [“Apply for a Licence”](#) page of the “Industry” section of the OEB’s website at www.oeb.ca. If submitted incomplete, there may be a delay in processing the application.

Applicants must make a copy of the non-confidential sections of the application available to any person who requests a copy.
