## Decision and Order

GenSet Resource Management Inc. (GenSet) filed an application on May 20, 2021 with the Ontario Energy Board (OEB) pursuant to section 74 of the *Ontario Energy Board Act, 1998* (OEB Act), to amend electricity generation licence EG-2010-0194.

This Decision and Order is being issued by the Delegated Authority pursuant to Section 6 of the OEB Act. The Delegated Authority has considered the application without holding a hearing pursuant to section 6(4) of the OEB Act.

GenSet is seeking an amendment to remove one of the facilities listed in Schedule 1 of its electricity generation licence. Schedule 1 identifies the generation facilities that a licensee is authorized to own and/or operate. GenSet has applied to remove the generation station with an installed capacity of 0.6MW, owned by 617885 Ontario Ltd. and operated by the Licensee at 1581 County Road 34, Concession #2, Part of Lot 9, Ruthven, Ontario. GenSet has explained that the facility has been de-registered with the IESO and no longer participates in the electricity market. There are no other changes requested to the licence.

### IT IS ORDERED THAT:

GenSet Resource Management Inc's application to amend Schedule 1 of its electricity generation licence EG-2010-0194 is granted. All other provisions of Licence EG-2010-0194 remain the same. The amended licence is attached to this Decision and Order.
