Dear Mr. D'Andrea:

**Re: Hydro One Networks Inc. (Hydro One)  
Application for 2022 Distribution Rates for the Areas Formerly Served by  
Norfolk Power Distribution Inc. Haldimand county Hydro Inc. and  
Woodstock Hydro Services Inc.; Orillia Power Distribution Corp.; and  
Peterborough Distribution Inc.  
Ontario Energy Board File Numbers: EB-2021-0033, EB-2021-0050 and EB-2021-0053**

This letter is in response to Hydro One's correspondence to the Ontario Energy Board (OEB), dated July 19, 2021, requesting an extension to the filing deadline dates for the 2022 rate applications of each of the following Hydro One service areas:

- Norfolk, Woodstock and Haldimand (EB-2021-0033)
- Orillia (EB-2021-0050)
- Peterborough (EB-2021-0053)

Hydro One requested an extension from August 18, 2021 to August 27, 2021 for each of the above proceedings. Hydro One's request is driven by resourcing issues. In addition, Hydro One requested to file its 2022 rates applications for its Orillia and Peterborough service territories under one combined proceeding.

The OEB grants Hydro One's filing deadline extension requests. The OEB also grants Hydro One's request to combine the applications for the Orillia and Peterborough service areas under one proceeding (EB-2021-0050).

Yours truly,
