**AND IN THE MATTER OF** an Application by Enbridge Gas Inc., pursuant to section 36(1) of the *Ontario Energy Board Act, 1998*, for an order or orders approving or fixing just and reasonable rates and other charges for the sale, distribution, transmission and storage of gas as of January 1, 2022.

**NOTICE OF INTERVENTION**

**OF THE**

3. The School Energy Coalition intends to apply for recovery of its costs reasonably incurred in the course of its intervention in this matter. SEC has participated in many past natural gas and electricity proceedings in Ontario, including consultations, rate cases, and other processes and hearings, and has been found eligible to be paid its reasonably incurred costs in all of those proceedings.

**Issues to be Addressed**

4. SEC’s intended participation will include the following:
  - a. Proposed 2022 rate adjustments;
  - b. Assessment of alternatives to eliminate or reduce the Parkway Delivery Obligation and/or the Parkway Delivery Commitment Incentive as agreed to in the approved EB-2020-0095 Settlement Proposal;
  - c. All other components of the Application; and
  - d. Generally, to represent the interests of school boards and their students in this process.

**The Intervenor’s Intended Participation**

5. SEC intends to participate in any pre-hearing procedures, including interrogatories or technical conferences, and settlement conferences. SEC also intends to participate in any oral hearings of this matter, and in written or oral submissions, as well as any other parts of the process that the Board should order. While SEC does not currently intend to file evidence in this proceeding, it reserves its right to do so depending on the responses to interrogatories and any other discovery processes ordered by the Board.

**Nature of Hearing Requested**

6. Until interrogatories have been answered, we believe it is premature to assess whether a written or an oral hearing is more appropriate in this proceeding.
