**Re: Ontario Power Generation Inc.
Application for 2022-2026 Payment Amounts
Ontario Energy Board File Number: EB-2020-0290**

In accordance with Procedural Order No. 4, an oral hearing has been scheduled to start on August 4, 2021, and continue if required, on August 5 and 6, 2021. As is routine practice, the audio feed of the hearing will be available on the OEB's website.

For the first time, the OEB will also be live streaming both audio and video of the OPG oral hearing on the OEB's YouTube channel. The channel can be accessed using the link: <https://www.youtube.com/c/OntarioEnergyBoard-OEB>.

The OEB is taking this step to increase the transparency of our process.

Decisions on which oral hearings will be live streamed will be made on a case by case basis by the Office of the Registrar. Recordings of live streams of oral hearings will not be kept on the OEB's YouTube channel on a permanent basis.

As a general reminder, no photos, screen captures, video or audio recording whether full or part will be allowed unless authorized by the OEB. Persons watching the hearing on YouTube should be aware that the live stream may have a delay of approximately 30 seconds.

All participants are encouraged to review the [Virtual Hearings Guide](#) prior to the hearing. This document outlines the process for participation in a virtual hearing and is available on the Regulatory Calendar page of the OEB's website.

Yours truly,
