Board Secretary and Registrar (registrar@oeb.ca)
Ontario Energy Board
Toronto, ON

Dear Ms. Long:

**Re: EB-2021-0110 – Hydro One Stakeholder Conference Attendance
Hydro One Networks Inc. 2023-2027 Joint Rate Application Proceeding**

This letter is in response to the OEB's invitation of July 23, 2021 to participate in a pre-application conference on August 12, 2021.

VECC would like to attend this meeting. The two consultants reviewing this application are:

Mark Garner 647-408-4501; markgarner@rogers.com and
Bill Harper bharper.consultant@bell.net

Either or both may attend this conference so we would ask that meeting information be provided to both at the noted email addresses.

VECC's is also seeking cost eligibility as its members do not have access to the direct funding required to retain appropriate legal and consulting support for its intervention in OEB proceedings. Accordingly, VECC relies on PIAC to provide legal support and retain qualified consultants on the basis that PIAC can recover the related fees and disbursements from the Board based on the Board's Practice Direction on Cost Awards at the prevailing Cost Award Tariff.

Yours truly,

Mark Garner
