## **RE: EB-2021-0147 EGI 2022 Rates FRPO Request for Intervenor Status and Eligibility for Cost Award**

### **REQUEST & SUPPORT**

We are writing on behalf of the Federation of Rental-housing Providers of Ontario (FRPO) in regard to the Notice of Application received from EGI July 28<sup>th</sup>. The Application by EGI is for interim and final Orders approving or fixing just and reasonable rates for the sale, distribution, transmission, and storage of gas commencing January 1, 2022. The resulting rates impact the members of the FRPO.

FRPO is Ontario's leading advocate for quality rental housing, representing over 800 private owners and managers who supply over 350,000 rental suites across the province. Our members believe strongly that the rental-housing sector is best served by a competitive marketplace that offers choice and affordability in the provision of energy services. As a not-for-profit organization, FRPO does not have other funding sources to ensure experienced representation to participate in and assist the Board with these regulatory proceedings. FRPO has previously assisted the Board in other matters and has been awarded costs by the Board. Therefore, FRPO would respectfully request a determination of eligibility for cost award in this proceeding.

### **ISSUES**

FRPO has participated in past Enbridge and Union Gas Rate applications and desires to assist the Board in reviewing the application considering the rate impacts that would be generated by this Application. FRPO represents the direct interest of its members who are impacted by changes to the regulated rates of Enbridge Gas. Therefore, FRPO respectfully requests involvement in all aspects of the review of this Application.

We appreciate that the Board has established that it will decide on oral versus written hearing at a later date. As such, FRPO reserves on its submissions on this issue until after the interrogatory process when our submission may be of greater assistance to the Board.

## **REPRESENTATION**

If the intervention requested is granted, then FRPO asks that further communications with respect to this matter be sent to the following:
