Dear Ms. Long:

**Re: EB-2021-0147 Enbridge Gas Inc. 2022 Rates Application (Phase 1) and EB-2021-0148 (Phase 2) Application**

The Quinte Manufacturers Association ("QMA") has reviewed the Phase 1 portion of the above-noted Rates Application and will not be requesting intervenor status in that proceeding. The Phase 2 portion of the Application (EB-2021-0148) which is planned to be filed separately with the Ontario Energy Board in October 2021, is of interest to the QMA. The Association may request to intervene in that proceeding.

Respectfully,

Michael McLeod
