Dear Ms. Long:

**Re: OEB File No.: EB-2021-0016  
E.L.K. Energy Inc. ("E.L.K.")  
2022 Cost of Service Application**

In a letter dated December 16, 2020 (updated December 17, 2020), the Ontario Energy Board (the "OEB") identified E.L.K. as one of the distributors on the 2022 rebasing list. Although E.L.K.'s staff and consultants have been working diligently and tirelessly on preparing an application for rates effective May 1, 2022, we are writing to inform the OEB that E.L.K. will not be in a position to file its rebasing application by August 31, 2021. E.L.K. will continue to use its best efforts to complete all remaining work to file its rate application on or before December 31, 2021.

Sincerely,

*Mark Danelon*
