Dear Ms. Stefan:

**Re: Brantford Power Inc. (Brantford Power)
2022 Cost of Service Rate Application
Ontario Energy Board (OEB) File Number: EB-2021-0009**

On August 19, 2021, the OEB issued its Decision on Confidentiality with respect to certain interrogatory responses for which Brantford Power requested confidential treatment.

In that Decision, the OEB directed Brantford Power to file for the public record a revised unredacted version of the table in interrogatory response 4x-EP-20 reflecting the findings in the Decision.

On August 24, 2021, Brantford Power filed a revised copy of the table in the interrogatory response to 4X-EP-20, but with certain figures still redacted. In its covering letter, Brantford Power explained that the redacted information contains compensation information and how this information, in conjunction with other information provided in interrogatory responses, could be used to infer compensation-related information about identifiable individuals.

The OEB has reviewed the explanation provided by Brantford Power in its August 24, 2021 letter and accepts the redactions in the revised interrogatory response 4X-EP-20.

Yours truly,
