---

I act as legal counsel for the City of Mississauga. Please accept this letter of intervention on behalf of my client confirming its intention to acquire intervenor status in the above referenced application.

In accordance with Section 22.03 of the Rules of Practice and Procedure before the Ontario Energy Board, the undersigned wishes to confirm the following:

- (a) The intervenor is a municipal corporation in the Province of Ontario and is interested in the application as the registered owner of certain lands over which the applicant seeks to acquire an easement interest;
- (b) My client is not a frequent intervenor;
- (c) It is the intent of the intervenor, as the registered owner of certain lands over which the applicant seeks to acquire an easement interest, to review the evidence filed and submit comments on the form of agreements to be offered to affected landowners, to ensure they are reasonable and protect the interests of both parties;
- (d) The intervenor is hereby requesting a copy of all the written evidence filed in the matter;
- (e) The intervenor takes the position that an award of costs for its participation in this matter is just and appropriate since it will be incurring legal and other costs to defend its interests;
- (f) The intervenor does not intend to use the French language in this hearing;
- (g) For the purposes of service and delivery of documents, the following may be used:

**The Corporation of the City of Mississauga**
