Hello,

Please do not allow Hydro One to increase their rates. They already charge enough. For example, my bill from April 2 - July 6 (3 months) was a total of \$283.09 for the use of 821 kWh. This is broken down to:
Electricity: \$84.64
Delivery: \$213.84
Regulatory Charges: \$4.32
HST: 39.36
Ontario electricity rebate: (\$59.07)

Hydro Ones Q2 profit for 2021 is \$238million dollars! They don't need to increase the price.
Thank you for your time.
