Re: file #2021-0110, It is ridiculous to think that Hydro one is entitled to more money from Ontario residents! Their employees and management are paid an enormous wage and benefits, golden handshake payouts then hired next day at outrageous consultant fees. Hydro one whines that there equipment needs upgrading from the 50's and 60's, well what have you been doing with our money for the past 50 years. Seniors are being asked to more for everything, newer homeowners are paying off huge mortgages and yet Hydro one asks for yet another increase. Just say NO, let them live within a budget just like the rest of Ontario residents. NO, we can not afford your miss management of the huge revenues you have already collected.
