Dear Ms. Long:

**EB-2021-0032 – Hydro One Networks’ 2018-2022 Distribution Rate Application – 2022
Annual Rate Update – Application and Evidence, RGCRP Request Withdrawal**

On August 20, 2021, Hydro One filed an application to update its 2022 distribution rates and other charges. Included in the application was a request that the OEB authorize Hydro One to resume collection of the Renewable Generation Connection Rate Protection (RGCRP) monthly compensation amounts effective January 1, 2022.

By way of this letter, Hydro One is withdrawing the request to resume collection of the RGCRP monthly compensation amounts from the current application, but may pursue this issue at a later date.

Sincerely,

A handwritten signature in cursive script that reads "Kathleen Burke".
