Christine Long  
Registrar  
Ontario Energy Board  
2300 Yonge Street, 27th Floor  
Toronto, ON M4P 1E4

Dear Christine Long:

**Re: Six Nations Natural Gas Limited's application for a certificate of public convenience and necessity for a municipal franchise agreement with the County of Brant and Norfolk County**

Six Nations Natural Gas Limited provided the Ontario Energy Board redacted (Non-Confidential) and unredacted (Confidential) versions of the application for a certificate of public convenience and necessity for a municipal franchise agreement with the County of Brant and Norfolk County.

By this letter, Six Nations Natural Gas Limited confirms that the redacted version of the application filed does not include any personal information (as that phrase is defined in the Freedom of Information and Protection of Privacy Act (FIPPA)), that is not otherwise redacted in accordance with rule 9A of the OEB's Rules of Practice and Procedure.

To be clear, the unredacted version should be treated as Confidential, as it does contain personal information as defined in the FIPPA.

Sincerely,

Tracy Skye  
General Manager
