EDF TRADING NORTH AMERICA, LLC

Application for an Electricity Wholesale Licence

BY DELEGATION, BEFORE: Brian Hewson
Vice President
Consumer Protection & Industry Performance

September 16, 2021

DECISION AND ORDER

EDF Trading North America, LLC filed an application on March 30, 2021, with the Ontario Energy Board (OEB) pursuant to section 60 of the *Ontario Energy Board Act, 1998* (OEB Act), for a renewal of its electricity wholesaler licence.

This Decision and Order is being issued by the Delegated Authority pursuant to Section 6 of the OEB Act. The Delegated Authority has considered the application without holding a hearing pursuant to section 6(4) of the OEB Act.

After considering the technical and financial capability of the applicant, the OEB finds that it is in the public interest to grant the application and issue the electricity wholesaler licence to EDF Trading North America, LLC. The OEB notes the application was filed by the applicant on the date of expiration of the existing licence, and takes this opportunity to remind the applicant and all existing licencees that they must ensure their renewal application is filed in time to permit the OEB to undertake its review and issue a licence prior to the expiry of an existing licence.

IT IS ORDERED THAT:

1. The application is granted, on such conditions as are contained in the attached licence.
