Dear Ms. Long:

**Re: Hydro One Networks Inc. EB-2021-0110 and EB-2021-0243
2023 Distribution Rates and Transmission Revenue Requirement-UTR
Response to Procedural Order No. 1 –
Participation by the Vulnerable Energy Consumers Coalition (VECC)**

On September 17, 2021 the Ontario Energy Board (OEB) issued Procedural Order No. 1 in the Hydro One Networks Inc. (Hydro One) proceeding EB-2021-0110. VECC has been granted intervenor status and cost eligibility in this proceeding. That Order sets out the bifurcation of certain issues related to the UTR and ETS rates under the docket EB-2021-0243 and requests that parties identify if they wish to participate in either or both proceedings.

It is VECC's intention to participate in both proceedings (i.e., EB-2021-0110 and EB-2021-0243). The list of contacts is the same for both proceedings.

Unless directed or otherwise notified we assume this letter sufficient for the purpose of intervention and cost eligibility in EB-2021-0243.

Yours truly,

John Lawford

Counsel for VECC
