Dear Ms. Long:

**Re: EB-2021-0110/0243 – UTR Generic Proceeding – SEC Intervention**

We are counsel to the School Energy Coalition (“SEC”). Pursuant to Procedural Order No.1 in Hydro One’s Joint Rate Application (EB-2021-0110), SEC writes to notify the Board that it intends to participate in the generic proceeding on UTR-related issues (EB-2021-0243), which includes the appropriate ETS rate. SEC also intends to continue to participate in the current Hydro One Joint Rate Application.

Unless directed or otherwise notified, SEC assumes this letter is sufficient for the purpose of requesting intervention and cost eligibility in EB-2021-0243. The list of SEC contacts remains the same for both proceedings.

Yours very truly,
