DECISION AND ORDER

EB-2021-0166

DYNO NOBEL NITROGEN INC.

Application for an Electricity Wholesale Licence

BY DELEGATION, BEFORE: Brian Hewson
Vice President
Consumer Protection & Industry Performance

September 23, 2021

DECISION AND ORDER

Dyno Nobel Nitrogen Inc. filed an application on June 30, 2021, with the Ontario Energy Board (OEB) pursuant to section 60 of the *Ontario Energy Board Act, 1998* (OEB Act), for a renewal of its electricity wholesaler licence.

This Decision and Order is being issued by the Delegated Authority pursuant to Section 6 of the OEB Act. The Delegated Authority has considered the application without holding a hearing pursuant to section 6(4) of the OEB Act.

The applicant was previously licensed by the OEB, however it did not renew its electricity wholesaler licence upon expiry July 22, 2020. It has been operating without a licence since July 23, 2020.

After considering the technical and financial capability of the applicant, the OEB finds that it is in the public interest to grant the application and issue the electricity wholesaler licence to Dyno Nobel Nitrogen Inc. given its ongoing participation in the electricity wholesale markets are necessary to its operations. The granting of this is without prejudice to any future compliance actions regarding Dyno Nobel Nitrogen Inc.'s operating without a licence.

IT IS ORDERED THAT:

1. The application is granted, on such conditions as are contained in the attached licence.
