Ms. Christine E. Long
Board Secretary
Ontario Energy Board
2300 Yonge Street, 27th Floor,
P.O. Box 2319
Toronto, ON M4P 1E4

Dear Ms. Long:

Re: Hydro One Application for 2022 distribution rates in the service areas formerly served by Norfolk Power Distribution Inc., Haldimand County Hydro Inc., and Woodstock Hydro Services Inc. (EB-2021-0033)

We are retained to act as counsel to the Power Workers' Union (PWU). We are responding to the Board's Notice regarding the Application.

By way of this letter, the PWU is requesting intervenor status in the Board's proceedings with respect to the above-noted application. As the Board is aware, the PWU represents a large portion of the employees working in Ontario's electricity industry, including those of the Applicant.

Attached please find a list of PWU employers.

The PWU intends to be a full-time intervenor and will participate in all aspects of the hearing. The PWU's concern is with the financial viability of the utility, and whether the proposed rates and charges will permit the utility to undertake the work necessary to ensure the safe and reliable operation of the facilities used to serve the affected customers.

The PWU has retained Richard Stephenson of Paliare Roland for legal representation and Bayu Kidane and Andrew Blair of Econalysis Consulting Services as consultants in this proceeding. Please provide copies of all communications with regard to the PWU's participation to:
