Attention: Registrar

Dear Ms. Long,

**Re: Hydro One Networks Inc.  
2023-2027 Joint Transmission and Distribution Rates Application  
Board File No. EB-2021-0110**

We are counsel to Anwaatin Inc. (**Anwaatin**) in the above-referenced proceeding. Anwaatin wishes to advise the Board of the following matters, further to Procedural Order No. 1:

**Anwaatin membership.** Anwaatin is pleased to confirm the following Indigenous members for the purposes of this proceeding:

- Minodahumn Development LP, an economic development partnership representing Aroland First Nation, Ginoogaming First Nation, and Animbiigoo Zaagi'igan Anishinaabek First Nation;
- Eagle Lake First Nation; and
- Southwind Corporate Development Inc. at Kettle and Stony Point First Nation.

Additional Indigenous members may be confirmed at a later date.

**EB-2021-0243.** Anwaatin requests intervenor status and cost eligibility in the Board's generic proceeding on UTR-related issues and the ETS rate (EB-2021-0243). The Board's decision in the generic proceeding will have impacts on transmission lines with First Nation ownership and equity, particularly in northern Ontario. Anwaatin's membership for EB-2021-0243 will be the same as that set out above for EB-2021-0110. We would be pleased to provide any additional information that may be required in relation to Anwaatin's participation in the EB-2021-0243 proceeding. Anwaatin will continue its participation in EB-2021-0110.

Sincerely,

A handwritten signature in black ink, consisting of a large, stylized initial 'L' followed by a long, sweeping horizontal line that ends in an arrowhead pointing to the right.
