Instructions for the Exhibit numbers:

1. All parties to this proceeding must identify their filings using the appropriate assigned Exhibit number on this list.
2. Each page of a filing must include a header with the Exhibit number, name of party and filing date marked in the upper right hand corner.
3. Materials filed during the oral hearing will be assigned an exhibit number at the hearing and will be numbered sequentially. Parties are reminded to bring the appropriate number of copies of any materials to be filed.
4. Technical conference undertakings will be assigned an exhibit number at the conference and will be numbered sequentially.
5. Interrogatories will follow a sequential numbering scheme according to the parties' assigned number. E.g., Enbridge's first interrogatory will be IR1.1, its second will be IR1.2, its third IR1.3, etc.
6. Additional Exhibit Numbers will be informed later in this proceeding.
7. Any questions related to the Exhibit numbering may be directed to Angela Pachon (Case Manager) or Janet Sakauye (Case Administrator) at the OEB.
