Dear Christine Long:

**Re: Enbridge Gas Inc. (Enbridge Gas)

Greenstone Pipeline Project – Updated Environmental Report**

Further to the application and evidence filed by Enbridge Gas for the proposed Greenstone Pipeline Project, enclosed please find an updated Environmental Report for the above noted Project.

The following section within the Environmental Report has been updated to remove personal landowner information:

- Appendix B2 – Phase IV: Study Re-Commencement Contact Lists

Enbridge Gas discovered that personal landowner information was included in the September 10th filing of the Environmental Report (Exhibit F, Tab 1, Schedule 1, Attachment 1), specifically on page 5 of the section noted above. Enbridge Gas will be contacting the impacted individuals to notify them of the error.

Enbridge Gas requests that all prior versions of Exhibit F, Tab 1, Schedule 1, Attachment 1 be removed from the public record for this proceeding.

Please contact the undersigned if you have any questions.

Yours truly,
