BY DELEGATION, BEFORE: Brian Hewson

October 7, 2021

DECISION AND ORDER

Unified Energy Services, LLC (Unified Energy) filed an application on April 28, 2021, with the Ontario Energy Board (OEB) pursuant to section 50 of the *Ontario Energy Board Act, 1998* (OEB Act), for a gas marketer licence. To participate as an agent or broker for natural gas in the gas market in Ontario, the applicant requires a gas marketer licence pursuant to section 48 of the OEB Act.

This Decision and Order is being issued by the Delegated Authority pursuant to Section 6 of the OEB Act. The Delegated Authority has considered the application without holding a hearing pursuant to section 6(4) of the OEB Act.

The applicant has been previously licensed by the OEB and has applied to renew its Gas Marketer's Agent Only licence, which expired on June 8, 2021. An Interim Decision and Order extending the licence term to November 1, 2021, was issued on May 20, 2021.

After considering the application, the OEB finds that it is in the public interest to issue the gas marketer licence to Unified Energy Services, LLC. This licence is granted without prejudice with regard to any future compliance actions.

IT IS ORDERED THAT:

1. The application for a gas marketer licence (agent only) is granted, on such conditions as are contained in the attached licence.
