Dear Ms. Long,

**Re: Independent Electricity System Operator  
2020 and 2021 Expenditure and Revenue Requirement Submissions  
Ontario Energy Board File No.: EB-2020-0230**

---

The Independent Electricity System Operator ("IESO") is writing to file the settlement proposal with the Ontario Energy Board ("OEB") in which parties reached settlement on all issues in the IESO's 2020 and 2021 Revenue Requirement Submissions. The IESO notes that the settlement proposal includes deferred consideration of Issue 3.1 until after the IESO completes stakeholder engagement related to this issue and updates its evidence. The proposal also includes a proposed process for settlement of the entirety of Issue 3.1.

Along with Exhibit S-1-1 the Settlement Proposal, the IESO is filing the following additional evidence and updated responses to interrogatories:

- Exhibit S-1-1 Attachment 1 - IESO Responses to Intervenor Settlement Conference Questions
- Updated response to 3.1 OEB Staff 28
- Updated response to 4.4 SEC 23
- 4.4 SEC 23 Attachment 1 - MRP Energy - Integrated Project Plan

Please note the IESO has redacted personal information and internal document IDs from the MRP Energy - Integrated Project Plan as they are not relevant for review of the document.

Please contact me directly at 416-957-3594 or [Devon.Huber@ieso.ca](mailto:Devon.Huber@ieso.ca) if you have any questions.
