Dear Ms. Long:

**Re: Enbridge 2022 to 2027 Demand Side Management (“DSM”) Plan  
EB-2021-0002**

Enclosed please find the interrogatories of Environmental Defence in the above matter. We are submitting these interrogatories 10 days before the deadline in the hope that Enbridge will be able to provide responses to these interrogatories before the deadline for interrogatory responses. This would greatly assist in the preparation of evidence in the event that the OEB approves the evidence proposed by Environmental Defence.

Yours truly,
