Re: EB-2021-0243 Application to participate as an Intervenor

Dear Ms. Long:

Niagara-on-the-Lake Hydro Inc. (NOTL Hydro) hereby applies to participate in the generic hearing EB-2021-0243 as an intervenor.

NOTL Hydro is specifically interested in Item #4 Charges caused by planned transmission outages. NOTL Hydro also requests that this issue be expanded to include all circumstances that lead to incremental charges due to transmission charges being based on the monthly peak at each delivery point.

I will be the contact person for NOTL Hydro on this hearing.

NOTL Hydro will not be seeking cost awards for this hearing.

Yours truly,

Tim Curtis
