Dear Mr. Huber:

Re: Intervention request of the Independent Electricity System Operator (IESO) in Hydro One Networks Inc.'s (Hydro One) Application for leave to construct the Ansonville TS and Kirkland Lake TS Refurbishment Project Ontario Energy Board (OEB) File Number: EB-2021-0107

This letter is in response to your letter, on behalf of the IESO dated October 19, 2021, requesting intervenor status in the above referenced application. The IESO's request was received after the date for applying for intervenor status had passed.

No objection was received from Hydro One.

The OEB is satisfied that the IESO has a "substantial interest" in the proceeding within the meaning of Rule 22.02 of the OEB's *Rules of Practice and Procedure* and is approved as an intervenor. The IESO shall accept the record to this point and is reminded that pursuant to OEB's Procedural Order No. 1, dated October 8, 2021, intervenor submissions are due by November 12, 2021.

An updated list of intervenors is attached as Appendix A.

Yours truly,

Original Signed By
