Dear Mr. Chilton:

**Re: Five Nations Energy Inc.
2022 Transmission Revenue Requirement
Ontario Energy Board File Number: EB-2021-0276**

In its January 18, 2018, Revenue Requirement and Charge Determinant Order¹, the OEB approved a 2018 revenue requirement of \$7,988,092 for Five Nations Energy Inc. (FNEI) through a cost of service application. FNEI has not applied for transmission revenue requirements other than foregone revenue and interest disposition since that time.

The OEB is in the process of approving individual transmitters' 2022 revenue requirements and establishing the 2022 Uniform Transmission Rates (UTRs). In the 2021 UTRs, FNEI's approved transmission revenue requirement of \$8,296,645 included 2020 forgone revenue and interest. Could you please confirm by November 5, 2021 that FNEI will not be submitting a 2022 transmission revenue requirement application or seeking any adjustments to the approved revenue requirement of \$7,988,092 for 2022?
