Toronto, ON M4P 1E4

Dear Ms. Long:

**Re: Enbridge Gas Inc.
Application for Renewal of Franchise Agreement
Municipality of Central Huron**

Attached is an Application by Enbridge Gas Inc. for Orders of the Ontario Energy Board with respect to a Franchise Agreement with the Municipality of Central Huron. An agreement has been reached between Enbridge Gas Inc. and the Municipality of Central Huron with regards to the terms and conditions of the proposed Franchise Agreement.

Should you have any questions on this application, please do not hesitate to contact me. I look forward to the receipt of your instructions.

Yours truly,

Patrick McMahon

ONTARIO ENERGY BOARD

IN THE MATTER OF the *Municipal Franchises Act*, R.S.O. 1990, c.M.55, as amended;

AND IN THE MATTER OF an Application by Enbridge Gas Inc. for an Order approving the terms and conditions upon which, and the period for which, the Corporation of the Municipality of Central Huron is, by by-law, to grant to Enbridge Gas Inc. the right to construct and operate works for the distribution, transmission and storage of natural gas and the right to extend and add to the works in the Municipality of Central Huron;

AND IN THE MATTER OF an Application by Enbridge Gas Inc. for an Order directing and declaring that the assent of the municipal electors of the Municipality of Central Huron to the by-law is not necessary.

APPLICATION

1. Enbridge Gas Inc. (Enbridge Gas), a regulated public utility, is a corporation incorporated under the laws of the Province of Ontario, with its offices in the City of Toronto and the Municipality of Chatham-Kent.
2. The Corporation of the Municipality of Central Huron (Municipality) is a municipal corporation incorporated under the laws of the Province of Ontario. Attached hereto and marked as Schedule "A" is a map showing the geographical location of the Municipality and a customer density representation of Enbridge Gas' service area. Enbridge Gas currently serves approximately 2,130 customers in the Municipality.
3. The Municipality of Central Huron is a lower-tier municipality located in the County of Huron. The Municipality of Central Huron was formed on January 1, 2001 through the amalgamation of the former Town of Clinton, the former Township of Goderich and the former Township of Hullett.
4. Enbridge Gas has a Certificate of Public Convenience and Necessity for the Municipality of Central Huron (RP-2001-0060 / EB-2002-0321), which is attached as Schedule "B".
5. Enbridge Gas applied to the Council of the Municipality for a franchise agreement permitting Enbridge Gas to construct and operate works for the distribution, transmission and storage of natural gas and the right to extend and add to the works in the Municipality of Central Huron.
6. On September 7, 2021, the Council of the Municipality gave approval to the form of a Franchise Agreement in favour of Enbridge Gas and authorized Enbridge Gas to apply to the Ontario Energy Board for approval of the terms and conditions upon which and the period for which the franchise agreement is proposed to be granted.

7. Attached hereto as Schedule "C" is a copy of Resolution 323-2021 of the Council of the Municipality approving the form of the draft by-law and franchise agreement, authorizing this submission to the Ontario Energy Board, and requesting an Order declaring and directing that the assent of the municipal electors to the by-law and franchise agreement is not necessary.
8. Attached hereto as Schedule "D" is a copy of By-law 75-2021 and the proposed franchise agreement. The Municipality of Central Huron has provided first and second readings of its by-law.
9. Enbridge Gas has franchise agreements with and Certificates of Public Convenience and Necessity for the Township of Ashfield-Colborne-Wawanosh, the Municipality of Bluewater, the Town of Goderich, the Municipality of Huron East, the Municipality of Morris-Turnberry and the Township of North Huron, which are immediately adjacent to the Municipality. There is no other natural gas distributor in the area.
10. The proposed franchise agreement is in the form of the 2000 Model Franchise Agreement with no amendments and is for a term of twenty (20) years.
11. The address of the Municipality is as follows:

Municipality of Central Huron
23 Albert Street, P.O. Box 400
Clinton, ON N0M 1L0
Attention: Kerri Ann O'Rourke, Clerk
Telephone: (519) 482-3997 ext. 1223
Email: clerk@centralhuron.com

The address for Enbridge Gas' regional operations office is:

Enbridge Gas Inc.
109 Commissioners Road
London, ON N6A 4P1
Attention: Steven Jelich, Director, Southwest Region Operations
Telephone: (519) 667-4109
Email: steven.jelich@enbridge.com

12. The newspaper having the highest circulation in the Municipality of Central Huron is the *Clinton News Record*. This is the newspaper used by the Municipality for its notices.

13. Enbridge Gas now applies to the Ontario Energy Board for:
- (a) an Order under s.9(3) approving the terms and conditions upon which, and the period for which, the Municipality of Central Huron is, by by-law, to grant Enbridge Gas the right to construct and operate works for the distribution, transmission and storage of natural gas and the right to extend and add to the works; and
 - (b) an Order pursuant to s.9(4) directing and declaring that the assent of the municipal electors of the Municipality of Central Huron is not necessary for the proposed franchise agreement by-law under the circumstances.

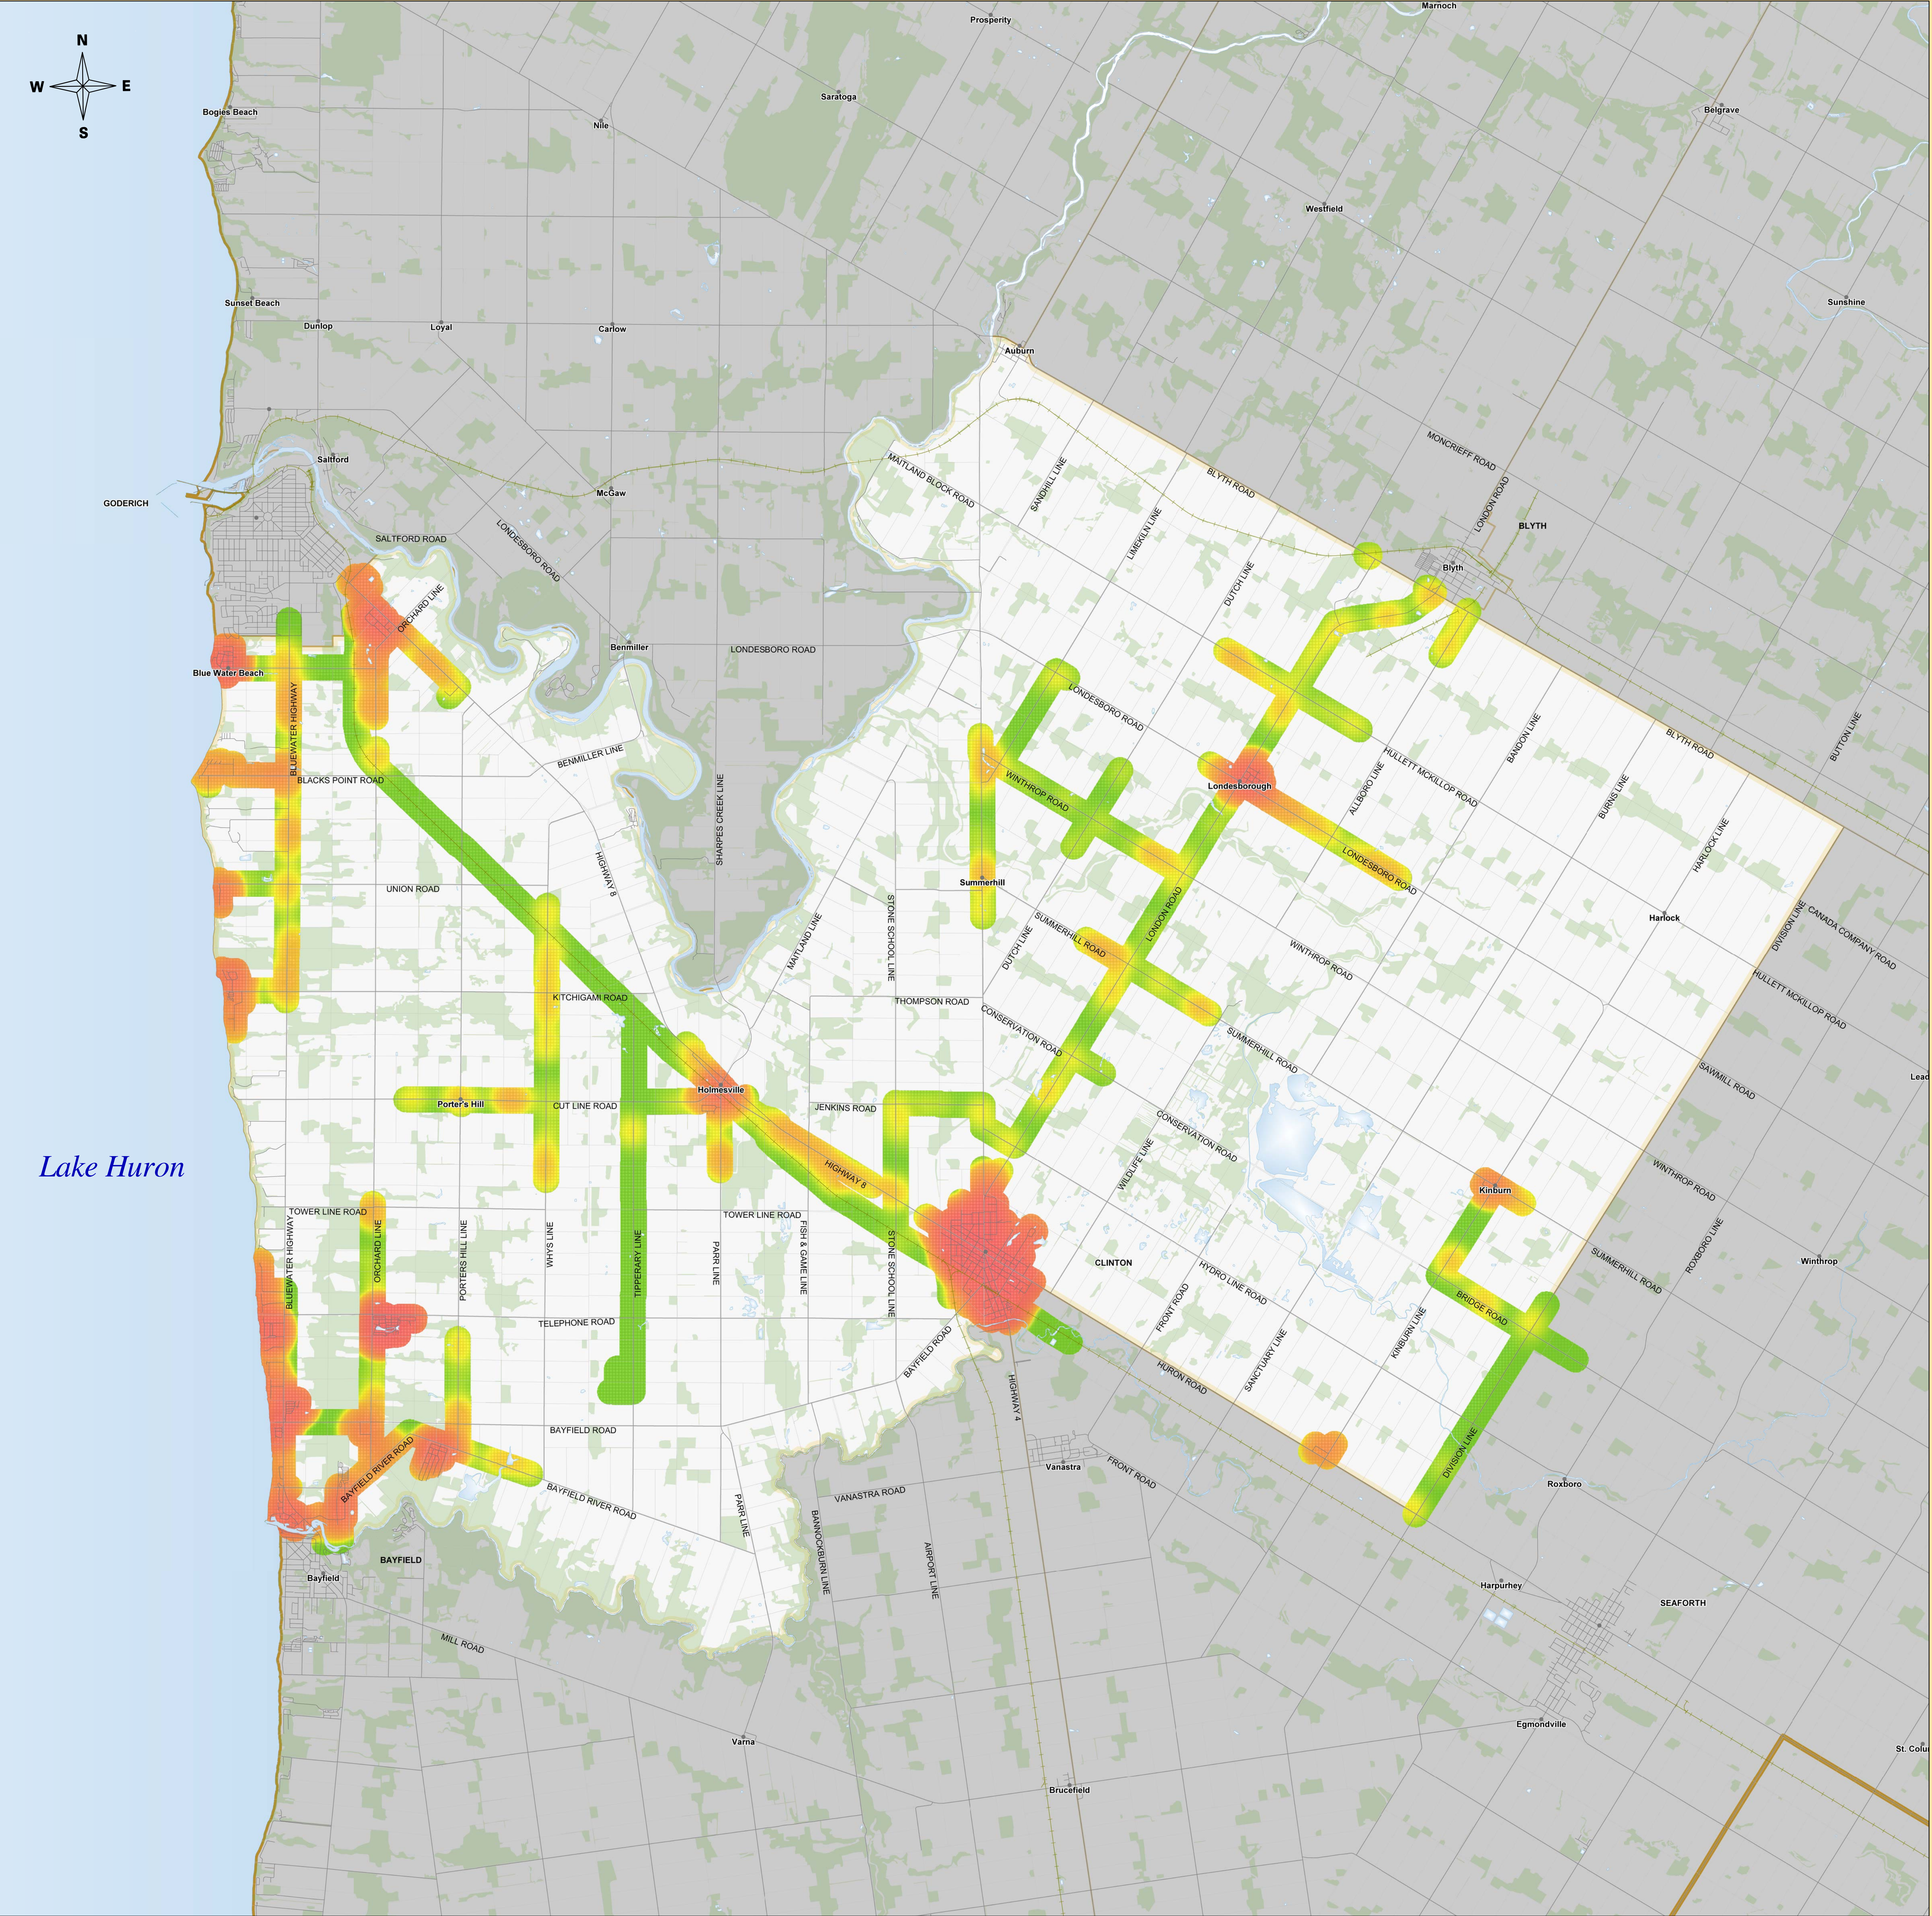

DATED at the Municipality of Chatham-Kent, in the Province of Ontario this 21st day of October, 2021.

IN THE MATTER OF the *Municipal Franchises Act*, R.S.O. 1990, c. M.55, as amended;

AND IN THE MATTER OF an application by Union Gas Limited for an order approving the terms and conditions upon which the Corporation of the Municipality of Central Huron is by by-law to grant Union Gas Limited the right to construct and operate works for the distribution of gas; the right to extend and add to the works; and the period for which such rights are granted;

AND IN THE MATTER OF an application by Union Gas Limited for an order dispensing with the assent of the municipal electors of the Municipality of Central Huron regarding the by-law.

AND IN THE MATTER OF an application by Union Gas Limited for an order cancelling and replacing the existing Certificates of Public Convenience and Necessity for the Corporation of the Municipality of Central Huron.

BEFORE: Sheila K. Halladay
Presiding Member

George A. Dominy
Member and Vice Chair

DECISION AND ORDER

Union Gas Limited ("Union") filed an application, dated November 13, 2001, (the "Application") with the Ontario Energy Board (the "Board") under the *Municipal Franchises Act*, R.S.O. 1990, c. M.55, as amended, (the "Act") for an order of the Board approving the terms and conditions upon which and the period for which the Corporation of the Municipality of Central Huron (the "Corporation"), is by by-law to

- 2 -

grant to Union the right to construct and operate works for the distribution of gas, and the right to extend and add to the works in the Municipality of Central Huron (the "Municipality"). The Board assigned File No. RP-2001-0060/EB-2001-0785 to this Application.

Union also applied, by a letter dated April 15, 2002, for an order of the Board that consolidates the existing Certificates of Public Convenience and Necessity and replaces these with a new Certificate of Public Convenience and Necessity for the Municipality. The Board assigned File No. RP-2001-0060/EB-2002-0321 to this Application.

Notice of Application was published on December 24, 2001. There were no intervenors. On January 22, 2002 the Board issued a Notice of Written Hearing. No party satisfied the Board that there was a good reason for not holding a written hearing.

Union also submitted a resolution, passed by the Council for the Corporation, approving the form of draft by-law (the "By-law"), authorizing the franchise agreement between Union and the Corporation (the "Franchise Agreement"), and requesting the Board to declare and direct, pursuant to subsection 9(4) of the Act, that the assent of the municipal electors to the By-law is not necessary.

Effective January 1, 2001 the former municipalities of Township of Goderich, Township of Hullett, and Town of Clinton were amalgamated to form the Municipality of Central Huron. The Board notes that Union is presently serving the Municipality and holds Certificates of Public Convenience and Necessity for the following former municipalities: Township of Goderich (F.B.C. 251,268), Township of Hullett (F.B.C. 252), and Town of Clinton (F.B.C. 268). The Board also notes that the Franchise Agreement is in the form of the 2000 Model Franchise Agreement approved by the Board as a standard form of franchise agreement.

- 3 -

The Board finds that, based on the evidence, granting the Applications is in the public interest.

THE BOARD THEREFORE ORDERS THAT:

1. The terms and conditions upon which, and the period for which, the Corporation of the Municipality of Central Huron is, by by-law, to grant to Union Gas Limited the right to construct and operate works for the distribution of gas, and the right to extend and add to the works, as set out in the Franchise Agreement attached as Appendix A, are approved. The Franchise number is EB-2001-0785.
2. The assent of the municipal electors of the Municipality of Central Huron to the By-law is not necessary.
3. The existing Certificates of Public Convenience and Necessity for the former municipalities of Township of Goderich (F.B.C. 251,268), Township of Hullett (F.B.C. 252), and Town of Clinton (F.B.C. 268) are cancelled and replaced with a single Certificate of Public Convenience and Necessity for the amalgamated Municipality of Central Huron (EB-2002-0321).

DATED at Toronto June 6, 2002

ONTARIO ENERGY BOARD

Peter H. O'Dell
Assistant Board Secretary

Formal Report - Enbridge Gas Franchise Agreement

RES-323-2021

Moved by Councillor Lobb, seconded by Councillor Russo

That Central Huron Council receives the report from Kerri Ann O'Rourke, Clerk titled "Enbridge Gas Franchise Agreement" ; AND

That this Council approves the form of draft by-law and franchise agreement attached hereto and authorizes the submission thereof to the Ontario Energy Board for approval pursuant to the provisions of Section 9 of the Municipal Franchises Act;

That this Council requests that the Ontario Energy Board make an Order declaring and directing that the assent of the municipal electors to the attached draft by-law and franchise agreement pertaining to the Corporation of the Municipality of Central Huron is not necessary pursuant to the provisions of Section 9(4) of the Municipal Franchises Act;

Carried

Certified to be a true copy and conforms to the original document which has not been altered in any way.

Formal Report

Date: 9/7/2021

To: Mayor and Council

From: Kerri Ann O'Rourke, Clerk

Department: Clerk's

Subject: Enbridge Gas Franchise Agreement

Attachments: By-law 75-2021 & 2000 Model Franchise Agreement with Enbridge Gas

Recommendation:

THAT Central Huron Council receives the report from Kerri Ann O'Rourke, Clerk titled "Enbridge Gas Franchise Agreement" ; AND

THAT this Council approves the form of draft by-law and franchise agreement attached hereto and authorizes the submission thereof to the Ontario Energy Board for approval pursuant to the provisions of Section 9 of the Municipal Franchises Act.

THAT this Council requests that the Ontario Energy Board make an Order declaring and directing that the assent of the municipal electors to the attached draft by-law and franchise agreement pertaining to the Corporation of the Municipality of Central Huron is not necessary pursuant to the provisions of Section 9(4) of the Municipal Franchises Act.

Purpose:

Approval

Background Information

On July 2, 2022, the current 20-year franchise agreement between the Municipality of Central Huron and the former Union Gas Limited will expire. Provincial legislation requires a franchise agreement between the municipal corporation and the gas company serving that municipality. The Ontario Energy Board has directed that the current 2000 Model Franchise Agreement be used as the model for such agreements. Enbridge Gas and the Municipality of Central Huron have commenced the process to renew a 20-year franchise agreement using the approved Model. In 2002, AMO and gas utility companies developed the Gas Franchise Handbook and a standard process for municipalities and gas companies to follow for franchise renewals.

Comments

Central Huron has been provided with the templates necessary to prepare the draft resolution of Council, draft By-law and 2000 Model Franchise Agreement.

The following Enbridge Gas representatives will be attending the meeting via Zoom and available if there are questions:

Brian Lennie

Senior Advisor, Municipal and Stakeholder Engagement – Ontario South/West

The franchise agreement sets out the terms and conditions in which Enbridge Gas can distribute, store and transmit natural gas in Central Huron. The jointly developed Gas Franchise Handbook supplements the franchise agreement and serve as a consolidated guide to deal with operating issues that might arise.

The attached by-law should be given first and second reading only at the September 7th, 2021 Council Meeting. Third and final reading are performed after Enbridge applies for and is in a receipt of a Decision and Order from the Ontario Energy Board (OEB). Notice of Enbridge Gas' application to the OEB for approval of the franchise agreement will be published in a local newspaper.

Financial Considerations:

There are no costs associated with the renewal of the Enbridge Gas Franchise Agreement. Sections 8 (Restoration) speaks to the handling of the costs associated with restoring public highways & municipal works. Section 12 (Pipeline Relocation) speaks to

the cost sharing when pipelines are taken up, removed or relocated at the request of the municipality.

Central Huron Strategic Plan (Delete any that you do not think relate to your report):

- ✓ Strong Governance
- ✓ Economic Development
- ✓ Environmental Stewardship
- ✓ Improved Infrastructure
- ✓ Utilization of Facilities
- ✓ Communication

Conclusion:

Staff recommend giving the By-law authorizing the Enbridge Gas Franchise Agreement first and second reading. With OEB approval, it will be brought back to be read a third and final time.

THE CORPORATION OF THE MUNICIPALITY OF CENTRAL HURON

BY-LAW NUMBER 75-2021

A BY-LAW TO AUTHORIZE A FRANCHISE AGREEMENT BETWEEN
THE CORPORATION OF THE MUNICIPALITY OF CENTRAL HURON
and
ENBRIDGE GAS INC.

WHEREAS the Council of the Corporation of the Municipality of Central Huron deems it expedient to enter into the attached franchise agreement (the "Franchise Agreement") with Enbridge Gas Inc.;

AND WHEREAS the Ontario Energy Board by its Order issued pursuant to the *Municipal Franchises Act* on the _____ day of _____, 2021 has approved the terms and conditions upon which and the period for which the franchise provided in the Franchise Agreement is proposed to be granted, and has declared and directed that the assent of the municipal electors in respect of this By-Law is not necessary:

NOW THEREFORE the Council of the Corporation of the Municipality of Central Huron enacts as follows:

1. That the Franchise Agreement between the Corporation of the Municipality of Central Huron and Enbridge Gas Inc. attached hereto and forming part of this by-law, is hereby authorized and the franchise provided for therein is hereby granted.

2. That the Mayor and Clerk be and they are hereby authorized and instructed on behalf of the Corporation of the Municipality of Central Huron to enter into and execute under its corporate seal and deliver the Franchise Agreement, which is hereby incorporated into and forming part of this By-Law.

3. That the following by-law be hereby repealed:

a. By-law No. 28-2002 for the Corporation of the Municipality of Central Huron, passed in Council on the 2nd day of July, 2002.

4. That this by-law shall come into force and take effect as of the final passing thereof.

Read a first and second time this 7th day of September, 2021.

Dated at the Municipality of Central Huron this 13
day of October, 2021

2000 Model Franchise Agreement

THIS AGREEMENT effective this day of , 2021

BETWEEN:

THE CORPORATION OF THE MUNICIPALITY OF CENTRAL HURON

hereinafter called the "Corporation"

- and -

ENBRIDGE GAS INC.

hereinafter called the "Gas Company"

WHEREAS the Gas Company desires to distribute, store and transmit gas in the Municipality upon the terms and conditions of this Agreement;

AND WHEREAS by by-law passed by the Council of the Corporation (the "By-law"), the duly authorized officers have been authorized and directed to execute this Agreement on behalf of the Corporation;

THEREFORE the Corporation and the Gas Company agree as follows:

Part I - Definitions

1. In this Agreement

- (a) "decommissioned" and "decommissions" when used in connection with parts of the gas system, mean any parts of the gas system taken out of active use and purged in accordance with the applicable CSA standards and in no way affects the use of the term 'abandoned' pipeline for the purposes of the *Assessment Act*;
- (b) "Engineer/Road Superintendent" means the most senior individual employed by the Corporation with responsibilities for highways within the Municipality or the person designated by such senior employee or such other person as may from time to time be designated by the Council of the Corporation;

- (c) "gas" means natural gas, manufactured gas, synthetic natural gas, liquefied petroleum gas or propane-air gas, or a mixture of any of them, but does not include a liquefied petroleum gas that is distributed by means other than a pipeline;
- (d) "gas system" means such mains, plants, pipes, conduits, services, valves, regulators, curb boxes, stations, drips or such other equipment as the Gas Company may require or deem desirable for the distribution, storage and transmission of gas in or through the Municipality;
- (e) "highway" means all common and public highways and shall include any bridge, viaduct or structure forming part of a highway, and any public square, road allowance or walkway and shall include not only the travelled portion of such highway, but also ditches, driveways, sidewalks, and sodded areas forming part of the road allowance now or at any time during the term hereof under the jurisdiction of the Corporation;
- (f) "Model Franchise Agreement" means the form of agreement which the Ontario Energy Board uses as a standard when considering applications under the *Municipal Franchises Act*. The Model Franchise Agreement may be changed from time to time by the Ontario Energy Board;
- (g) "Municipality" means the territorial limits of the Corporation on the date when this Agreement takes effect, and any territory which may thereafter be brought within the jurisdiction of the Corporation;
- (h) "Plan" means the plan described in Paragraph 5 of this Agreement required to be filed by the Gas Company with the Engineer/Road Superintendent prior to commencement of work on the gas system; and
- (i) whenever the singular, masculine or feminine is used in this Agreement, it shall be considered as if the plural, feminine or masculine has been used where the context of the Agreement so requires.

Part II - Rights Granted

2. To provide gas service

The consent of the Corporation is hereby given and granted to the Gas Company to distribute, store and transmit gas in and through the Municipality to the Corporation and to the inhabitants of the Municipality.

3. To Use Highways

Subject to the terms and conditions of this Agreement the consent of the Corporation is hereby given and granted to the Gas Company to enter upon all highways now or at any time hereafter under the jurisdiction of the Corporation and to lay, construct, maintain, replace, remove, operate and repair a gas system for the distribution, storage and transmission of gas in and through the Municipality.

4. Duration of Agreement and Renewal Procedures

(a) If the Corporation has not previously received gas distribution services, the rights hereby given and granted shall be for a term of 20 years from the date of final passing of the By-law.

or

(b) If the Corporation has previously received gas distribution services, the rights hereby given and granted shall be for a term of 20 years from the date of final passing of the By-law provided that, if during the 20 year term of this Agreement, the Model Franchise Agreement is changed, then on the 7th anniversary and on the 14th anniversary of the date of the passing of the By-law, this Agreement shall be deemed to be amended to incorporate any changes in the Model Franchise Agreement in effect on such anniversary dates. Such deemed amendments shall not apply to alter the 20 year term.

(c) At any time within two years prior to the expiration of this Agreement, either party may give notice to the other that it desires to enter into negotiations for a renewed franchise upon such terms and conditions as may be agreed upon. Until such renewal has been settled, the terms and conditions of this Agreement shall continue, notwithstanding the expiration of this Agreement. This shall not preclude either party from applying to the Ontario Energy Board for a renewal of the Agreement pursuant to section 10 of the *Municipal Franchises Act*.

Part III – Conditions

5. Approval of Construction

- (a) The Gas Company shall not undertake any excavation, opening or work which will disturb or interfere with the surface of the travelled portion of any highway unless a permit therefor has first been obtained from the Engineer/Road Superintendent and all work done by the Gas Company shall be to his satisfaction.
- (b) Prior to the commencement of work on the gas system, or any extensions or changes to it (except service laterals which do not interfere with municipal works in the highway), the Gas Company shall file with the Engineer/Road Superintendent a Plan, satisfactory to the Engineer/Road Superintendent, drawn to scale and of sufficient detail considering the complexity of the specific locations involved, showing the highways in which it proposes to lay its gas system and the particular parts thereof it proposes to occupy.
- (c) The Plan filed by the Gas Company shall include geodetic information for a particular location:
 - (i) where circumstances are complex, in order to facilitate known projects, including projects which are reasonably anticipated by the Engineer/Road Superintendent, or
 - (ii) when requested, where the Corporation has geodetic information for its own services and all others at the same location.
- (d) The Engineer/Road Superintendent may require sections of the gas system to be laid at greater depth than required by the latest CSA standard for gas pipeline systems to facilitate known projects or to correct known highway deficiencies.
- (e) Prior to the commencement of work on the gas system, the Engineer/Road Superintendent must approve the location of the work as shown on the Plan filed by the Gas Company, the timing of the work and any terms and conditions relating to the installation of the work.
- (f) In addition to the requirements of this Agreement, if the Gas Company proposes to affix any part of the gas system to a bridge, viaduct or other structure, if the Engineer/Road Superintendent approves this proposal, he may require the Gas Company to comply with special conditions or to enter into a separate agreement as a condition of the approval of this part of the construction of the gas system.

- (g) Where the gas system may affect a municipal drain, the Gas Company shall also file a copy of the Plan with the Corporation's Drainage Superintendent for purposes of the *Drainage Act*, or such other person designated by the Corporation as responsible for the drain.
- (h) The Gas Company shall not deviate from the approved location for any part of the gas system unless the prior approval of the Engineer/Road Superintendent to do so is received.
- (i) The Engineer/Road Superintendent's approval, where required throughout this Paragraph, shall not be unreasonably withheld.
- (j) The approval of the Engineer/Road Superintendent is not a representation or warranty as to the state of repair of the highway or the suitability of the highway for the gas system.

6. As Built Drawings

The Gas Company shall, within six months of completing the installation of any part of the gas system, provide two copies of "as built" drawings to the Engineer/Road Superintendent. These drawings must be sufficient to accurately establish the location, depth (measurement between the top of the gas system and the ground surface at the time of installation) and distance of the gas system. The "as built" drawings shall be of the same quality as the Plan and, if the approved pre-construction plan included elevations that were geodetically referenced, the "as built" drawings shall similarly include elevations that are geodetically referenced. Upon the request of the Engineer/Road Superintendent, the Gas Company shall provide one copy of the drawings in an electronic format and one copy as a hard copy drawing.

7. Emergencies

In the event of an emergency involving the gas system, the Gas Company shall proceed with the work required to deal with the emergency, and in any instance where prior approval of the Engineer/Road Superintendent is normally required for the work, the Gas Company shall use its best efforts to immediately notify the Engineer/Road Superintendent of the location and nature of the emergency and the work being done and, if it deems appropriate, notify the police force, fire or other emergency services having jurisdiction. The Gas Company shall provide the Engineer/Road Superintendent with at least one 24 hour emergency contact for the Gas Company and shall ensure the contacts are current.

8. **Restoration**

The Gas Company shall well and sufficiently restore, to the reasonable satisfaction of the Engineer/Road Superintendent, all highways, municipal works or improvements which it may excavate or interfere with in the course of laying, constructing, repairing or removing its gas system, and shall make good any settling or subsidence thereafter caused by such excavation or interference. If the Gas Company fails at any time to do any work required by this Paragraph within a reasonable period of time, the Corporation may do or cause such work to be done and the Gas Company shall, on demand, pay the Corporation's reasonably incurred costs, as certified by the Engineer/Road Superintendent.

9. **Indemnification**

The Gas Company shall, at all times, indemnify and save harmless the Corporation from and against all claims, including costs related thereto, for all damages or injuries including death to any person or persons and for damage to any property, arising out of the Gas Company operating, constructing, and maintaining its gas system in the Municipality, or utilizing its gas system for the carriage of gas owned by others. Provided that the Gas Company shall not be required to indemnify or save harmless the Corporation from and against claims, including costs related thereto, which it may incur by reason of damages or injuries including death to any person or persons and for damage to any property, resulting from the negligence or wrongful act of the Corporation, its servants, agents or employees.

10. **Insurance**

- (a) The Gas Company shall maintain Comprehensive General Liability Insurance in sufficient amount and description as shall protect the Gas Company and the Corporation from claims for which the Gas Company is obliged to indemnify the Corporation under Paragraph 9. The insurance policy shall identify the Corporation as an additional named insured, but only with respect to the operation of the named insured (the Gas Company). The insurance policy shall not lapse or be cancelled without sixty (60) days' prior written notice to the Corporation by the Gas Company.
- (b) The issuance of an insurance policy as provided in this Paragraph shall not be construed as relieving the Gas Company of liability not covered by such insurance or in excess of the policy limits of such insurance.
- (c) Upon request by the Corporation, the Gas Company shall confirm that premiums for such insurance have been paid and that such insurance is in full force and effect.

11. **Alternative Easement**

The Corporation agrees, in the event of the proposed sale or closing of any highway or any part of a highway where there is a gas line in existence, to give the Gas Company reasonable notice of such proposed sale or closing and, if it is feasible, to provide the Gas Company with easements over that part of the highway proposed to be sold or closed sufficient to allow the Gas Company to preserve any part of the gas system in its then existing location. In the event that such easements cannot be provided, the Corporation and the Gas Company shall share the cost of relocating or altering the gas system to facilitate continuity of gas service, as provided for in Paragraph 12 of this Agreement.

12. **Pipeline Relocation**

- (a) If in the course of constructing, reconstructing, changing, altering or improving any highway or any municipal works, the Corporation deems that it is necessary to take up, remove or change the location of any part of the gas system, the Gas Company shall, upon notice to do so, remove and/or relocate within a reasonable period of time such part of the gas system to a location approved by the Engineer/Road Superintendent.
- (b) Where any part of the gas system relocated in accordance with this Paragraph is located on a bridge, viaduct or structure, the Gas Company shall alter or relocate that part of the gas system at its sole expense.
- (c) Where any part of the gas system relocated in accordance with this Paragraph is located other than on a bridge, viaduct or structure, the costs of relocation shall be shared between the Corporation and the Gas Company on the basis of the total relocation costs, excluding the value of any upgrading of the gas system, and deducting any contribution paid to the Gas Company by others in respect to such relocation; and for these purposes, the total relocation costs shall be the aggregate of the following:
 - (i) the amount paid to Gas Company employees up to and including field supervisors for the hours worked on the project plus the current cost of fringe benefits for these employees,
 - (ii) the amount paid for rental equipment while in use on the project and an amount, charged at the unit rate, for Gas Company equipment while in use on the project,
 - (iii) the amount paid by the Gas Company to contractors for work related to the project,

- (iv) the cost to the Gas Company for materials used in connection with the project, and
 - (v) a reasonable amount for project engineering and project administrative costs which shall be 22.5% of the aggregate of the amounts determined in items (i), (ii), (iii) and (iv) above.
- (d) The total relocation costs as calculated above shall be paid 35% by the Corporation and 65% by the Gas Company, except where the part of the gas system required to be moved is located in an unassumed road or in an unopened road allowance and the Corporation has not approved its location, in which case the Gas Company shall pay 100% of the relocation costs.

Part IV - Procedural And Other Matters

13. Municipal By-laws of General Application

The Agreement is subject to the provisions of all regulating statutes and all municipal by-laws of general application, except by-laws which have the effect of amending this Agreement.

14. Giving Notice

Notices may be delivered to, sent by facsimile or mailed by prepaid registered post to the Gas Company at its head office or to the authorized officers of the Corporation at its municipal offices, as the case may be.

15. Disposition of Gas System

- (a) If the Gas Company decommissions part of its gas system affixed to a bridge, viaduct or structure, the Gas Company shall, at its sole expense, remove the part of its gas system affixed to the bridge, viaduct or structure.
- (b) If the Gas Company decommissions any other part of its gas system, it shall have the right, but is not required, to remove that part of its gas system. It may exercise its right to remove the decommissioned parts of its gas system by giving notice of its intention to do so by filing a Plan as required by Paragraph 5 of this Agreement for approval by the Engineer/Road Superintendent. If the Gas Company does not remove the part of the gas system it has decommissioned and the Corporation requires the removal of all or any part of the decommissioned gas system for the purpose of altering or improving a highway or in order to facilitate the construction of utility or other works in any highway, the Corporation

may remove and dispose of so much of the decommissioned gas system as the Corporation may require for such purposes and neither party shall have recourse against the other for any loss, cost, expense or damage occasioned thereby. If the Gas Company has not removed the part of the gas system it has decommissioned and the Corporation requires the removal of all or any part of the decommissioned gas system for the purpose of altering or improving a highway or in order to facilitate the construction of utility or other works in a highway, the Gas Company may elect to relocate the decommissioned gas system and in that event Paragraph 12 applies to the cost of relocation.

16. Use of Decommissioned Gas System

- (a) The Gas Company shall provide promptly to the Corporation, to the extent such information is known:
 - (i) the names and addresses of all third parties who use decommissioned parts of the gas system for purposes other than the transmission or distribution of gas; and
 - (ii) the location of all proposed and existing decommissioned parts of the gas system used for purposes other than the transmission or distribution of gas.
- (b) The Gas Company may allow a third party to use a decommissioned part of the gas system for purposes other than the transmission or distribution of gas and may charge a fee for that third party use, provided
 - (i) the third party has entered into a municipal access agreement with the Corporation; and
 - (ii) the Gas Company does not charge a fee for the third party's right of access to the highways.
- (c) Decommissioned parts of the gas system used for purposes other than the transmission or distribution of gas are not subject to the provisions of this Agreement. For decommissioned parts of the gas system used for purposes other than the transmission and distribution of gas, issues such as relocation costs will be governed by the relevant municipal access agreement.

17. Franchise Handbook

The Parties acknowledge that operating decisions sometimes require a greater level of detail than that which is appropriately included in this Agreement. The Parties agree to look for guidance on such matters to the Franchise Handbook prepared by the Association of Municipalities of Ontario and the gas utility companies, as may be amended from time to time.

18. Other Conditions

Notwithstanding the cost sharing arrangements described in Paragraph 12, if any part of the gas system altered or relocated in accordance with Paragraph 12 was constructed or installed prior to January 1, 1981, the Gas Company shall alter or relocate, at its sole expense, such part of the gas system at the point specified, to a location satisfactory to the Engineer/Road Superintendent.

19. Agreement Binding Parties

This Agreement shall extend to, benefit and bind the parties thereto, their successors and assigns, respectively.

IN WITNESS WHEREOF the parties have executed this Agreement effective from the date written above.
